Mr. Dave Scharrer
Monroe PMP
3 Sixty Group
68 S. Squirrel Road
Auburn Hills, MI 48326

Dear Mr. Scharrer:

I am pleased to inform you the Pocket Detective 2.1/Monroe Window Tint Meter (cordless) is approved for use in the North Carolina Safety Inspection Program. You may begin sales immediately.

Since North Carolina does not have a formal testing laboratory, this approval is based upon information provided by your company that the product meets the standards for window tint testing. The approval is not an endorsement of the product nor is it a requirement for inspection stations to purchase your window tint meter. The approval may be withdrawn if the product does not meet standards.

Good luck with the sales and marketing of your product.

Sincerely,

John Robinson, Jr., Director
NCDMV License and Theft Bureau

JRjr./dlb
