Dear Mr. Scharrer

This letter is to advise you that the Pocket Detective Window Tint and Reflectance Meter has been approved for use by official inspection stations in Mississippi in compliance with House Bill 734, which requires that, beginning July 1, 2005, all public inspection stations inspect glass tint on 1988 and newer vehicles.

This letter may not be used for promotional or marketing purposes. This letter may not be altered or modified in any form. The Mississippi Department of Public Safety's approval of the device does not constitute endorsement of the product.

Should a purchaser request verification that the Pocket Detective Auto Glass Transmission Meter is an approved device, please be prepared to provide verification through a copy of this letter.

Sincerely,

A handwritten signature in cursive script that reads "Ed Nelson".
